The proposed zoning updates are grounded in smart growth principles which prioritize enhancements to quality of life through new opportunities for economic growth, improved aesthetics, and more vibrant public spaces.

This planning effort is funded in part by the New York State Department of State Environmental Protection Fund Smart Growth Community Planning and Zoning Program.

The meeting will also be televised live on Cablevision Channel 76, Verizon 35 and streamed live on the Town website. If you wish to participate with a question or comment via zoom video conference, send an email to planning@greenburghny.com with **Four Corners Zoom Link** in the email title.
